

IndigoVision
Complete IP Video Security Solutions

Control Center

Powerful and intuitive video viewing software

Control Center is IndigoVision's complete suite of management software. The user friendly software enables quick and efficient management of all your video and events from one location. Control Center allows live viewing and playback of IndigoVision cameras and a wide range of cameras from other manufacturers.

An unlimited licence and Distributed Network Architecture (DNA) gives you the option to locate operators anywhere on the network and manage you system locally or remotely.

- Intuitive user interface
- Lightning quick evidence review
- View any camera, anywhere, anytime
- Unified control for your entire system
- Map based navigation
- ONVIF conformant
